You are hereby notified that a Complaint in condemnation has heretofore been filed in the Office of the Clerk of the United States District Court for the Southern District of New York, in the United States Courthouse at 300 Quarropas Street, White Plains, New York, by plaintiff MILLENNIUM PIPELINE COMPANY, L.L.C. ("MILLENNIUM") for the taking of a temporary easement in the property located at 322 Sleepy Valley Road, Town of Warwick, County of Orange, New York, S.B.L. No. 31-1-17, in which you have or claim an interest and which is more specifically described in Exhibit 1 attached hereto and made a part hereof (the "Breakaway Property").

The use for which a temporary easement in the Breakaway Property is required is to acquire, construct and operate pipeline facilities from a new compressor station in Corning, New York (milepost 190.6) to the Ramapo, New York measuring and regulating station (milepost

376.6) pursuant to the December 21, 2006 Order issued by the United States Federal Energy Regulatory Commission ("FERC") entitled "Order Issuing and Amending Certificates, Approving Abandonment, Vacating Certificate and Granting and Denying Requests for Rehearing and Clarification" ("FERC Order"). The temporary easement that is being acquired is to facilitate pipeline construction and testing for use and exercisable during the construction, preconstruction and testing of the pipeline and restoration of the Breakaway Property as reasonably required by MILLENNIUM for the purpose of constructing and testing the pipeline and thereafter restoring the Breakaway Property and to conduct all activities incident thereto, terminating upon the approval of the completed work and Property restoration, unless sooner terminated by MILLENNIUM or its authorized representative. Such temporary easement shall be exercised in and to the Breakaway Property (Exhibit 1) reserving, however, to the respective Owners, successors or assigns, the right of using said Property and such use shall not be further limited or restricted under this temporary easement beyond that which is necessary to effectuate its purposes for the construction, preconstruction and testing of the pipeline and restoration of the Breakaway Property.

The authority for the taking is the Natural Gas Act, 15 U.S.C. §717, *et seq.*

You are further notified that if you desire to present any objection or defense to the taking of your Property you are required to serve your Answer on MILLENNIUM'S attorney at the address herein designated within twenty days after personal service of this Notice of Condemnation upon you.

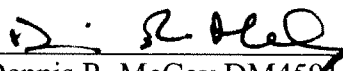

Your Answer shall identify the Property, state the nature and extent of the interest you claim, and state all of your objections and defenses to the taking of an easement in the Breakaway Property or your interest in the Breakaway Property. All defenses and objections not

so presented are waived. Your failure to answer the Complaint within 20 days of service of this Notice of Condemnation constitutes a consent to the taking and to the authority of the Court to render a judgment of condemnation of that part of the above-described Breakaway Property in which you have or claim an interest.

But without answering, you may serve on the MILLENNIUM'S attorney a Notice of Appearance designating the Breakaway Property in which you claim to be interested and identifying the nature of such interest. Thereafter you will receive notice of all proceedings affecting it. At the trial of the issue of just compensation, whether or not you have previously appeared or answered, you may present evidence as to the amount of the compensation to be paid for your interest in the Breakaway Property, and you may share in the distribution of the award.
